Question: What is the bible position on men & woman's apparel?

**Gender Confusion
(Deuteronomy 22:5)**

Intro: In the twenty second chapter of Deuteronomy, we find that God is stating somethings that He considers to be an _____ and warns those who are His not do them. I believe some of the things are self-explanatory and some, I'm not sure I understand, **Duet. 22:11** is one that would baffle most if they didn't do some research. The purpose of the command of God was to separate the office of the priest from the others.

1. The priest wore undergarments of white linen.
2. the outer garment was made of wool.
3. This is a simple explanation, but for God it was important.

In **Deuteronomy 22:12** to go along with this, was a tassel like object that was to have a few threads twisted together, a few threads of blue and a few threads of white wool, which would seem to be a _____ of **verse 11**. The point was that to a lesser degree, each Jew was a priest unto God and was a reminder of God's expectation of them to conduct themselves appropriately before God and the world.

This is perhaps the point Korah was endeavoring to make when he challenged Moses, **Numbers 16:3**, well, the answer is it was God's doing, which Korah would have to find out the hard way.

We are living in a day where cross dressing is not only common, but _____ from portion of our society. They have been openly received into classrooms and public libraries for the purpose of reading to elementary age children. Sadly, parents can be seen enjoying the abomination. The liberality of some public schools has brought some very gross actions and activities before innocent minded children, naïve parents and immoral policies of some schools.
